

Witches Falls Cottages Newsletter - March 2008

"Double Celebrations"

We are celebrating twice over this month!!

Firstly, Tamborine Mountain National Park is celebrating its 100th birthday! The Witches Falls section, right next door, was the first National Park declared in Queensland on the 28 March 1908 and the third in the world. Happy Birthday Tamborine Mountain!

Secondly our renovations are now totally complete and what a difference you will notice on your return!

Each cottage has a private courtyard with covered BBQ area - perfect for that romantic moonlight dinner under the stars. And then there's the new bathrooms – the highlight a luxurious double spa featuring your own fern wall and full panelled glass wall leading to your own private rain forested garden, while above the glass roof lets you once again soak in the ambience as the clouds or stars float past you above.

Also we now offer BBQ hampers for dinner and along with our famed homemade bread and breakfast sourced from local suppliers we now present our luxury Champagne Breakfast for something very special!

We'd love to welcome you back - as a repeat guest we would like to give you a complimentary Champagne Breakfast with every 3 Night Booking made until the end of April 2008!

Come and celebrate with us!!

Cosy & Intimate

Double spa

Private BBQ Area

Kind regards
Daniela and David
