If you have been needing a reason to escape to tranquil Tamborine Mountain then we have some wonderful news for you. We are very proud to announce we are now offering an exclusive massage and accommodation package – 'The Witches Falls Cottages Shell Package' – the ultimate relaxation package for couples to feed the senses, body and spirit.

This package allows each couple to experience the unique Shell Massage. The massage uses a mix of reef shells including smooth cowries, deep orange scallop, large lions paw and delicate sun dial shells and starts with a scented Australian washed salt foot bath and includes an organic green clay and cucumber face mask, hot steamed towels, head and face massage and gift of Ripple lotion. It is simply divine! For more info visit our Rates page. Shell massages and any other massage or beauty therapy treatments offered by Ripple Massage are also available outside the package. Next month from the 27th-29th June, Tamborine Mountain hosts its Scarecrow Festival. We are right on the trail and the weekend is promising to be one featuring much activity celebrating the illustrious scarecrow. We may even have one in our front garden as well!

Kind regards
