Cool crisp air, a clear sky, amazing sunsets, a crackling wood fire, hot relaxing spa baths, warm winter meals...

All those things and many more come to my mind when I think of winter. And on Mt Tamborine we have them all!

Most of you have long discovered this and regularly spend a 'winter getaway' on the Mountain.

To reward you, our loyal guests and our friends on Facebook, we have put together a '*winter warmer special*' exclusively for you!

(**available to book from June until 31st Aug 2011, Travel period*

You might have seen the announcement already on our [Facebook](#) page. Witches Falls Cottages has been voted one of the four best B&B's in Queensland by the Australian Traveller Magazine! You can find a copy of the article on our [media page](#).

We are very proud of this result and hope to keep the good work up in the future. A big thank you goes to all of you who filled in our 'Guest Evaluation Form' which always give us new ideas on how to improve our service for you.

As much as we enjoy winter at the moment many gardeners are eagerly preparing their grounds to be able to present their gardens with the bursting wonders of new and fresh growth during the '*Springtime on the Mountain Festival*' which will be held for three days from Friday 30th September until Sunday 2nd October 2011.

Plan your visit early especially if you would like to make the most of your visit and spend a couple of nights on the Mountain. You will find more details about this popular event on our [website](#).

We are looking forward to welcoming you to Witches Falls Cottages during our special Winter Time.

Kind regards,

Daniela and David
