

Witches Falls Cottages Newsletter November 2011

What's on your bucket list?

NEW Hot Air Ballooning Package

Our new Hot Air Ballooning Package offers you a once in a lifetime experience which many people have on their bucket list. Float up over the Gold Coast Hinterland to see the sun come up and enjoy great views. After you safely reach the ground again your Ballooning Experience is followed by a Champagne Breakfast at O'Reilly's Vineyard before you head back to Mt Tamborine.

This package is a popular Christmas, Birthday and Anniversary present for yourself, your partner, family and friends and we have [Gift Vouchers](#) available all year round.

NEW Gourmet and Deluxe Picnic Hampers

Also included in this new package is a Gourmet Picnic Hamper from DeliVino for you to enjoy after the Hot Air Balloon Ride. Both the Gourmet and the Deluxe [Picnic Hamper](#) are now available on request and you can add them to your booking or any package.

Scarecrow Festival 2011 – we won 'Best in Festival'!

The Scarecrow Festival was a huge success with many visitors to the mountain and most locals and local businesses involved.

We even managed to get a crew from Better Homes & Gardens to come up and join the fun. You will see a two page spread in the November issue of the Better Homes & Gardens Magazine and you can watch Jason build a Scarecrow on Friday 11th November 2011 on their television program which covers the Festival.

Jason also did an interview with David about our scarecrow and we are very proud to report that our 'Chief Wizard' took out the prize for 'Best in Festival'! Have a look on some photos of our Wizard and other Scarecrows on our [Facebook Album](#).

Tour de Tamborine – Sunday 20th November 2011

The next date to mark in your calendar is Sunday 20th November 2011. Take part in the 'Tour de Tamborine' which always attracts many guests to support this premier sporting event. You can cycle, walk or run and you find more information and the online registration form on the ['Tour de Tamborine' website](#).

We are looking forward to seeing you on Tamborine Mountain.

Kind regards,

Daniela and David
