A cosy winter's retreat

Away from the glitter strip, nestled high in the Gold Coast hinterland and snuggled in amongst tall rainforest figs and scented gums are the Witches Falls Cottages.

With winter's chill approaching, there is no better time to head to the hills and enjoy the wood fires, home baked bread, locally distilled schnapps, luxurious spa baths and the generous hospitality of David and Daniela at Tamborine Mountain's Witches Falls Cottages.

Witches Falls' private, self-contained cottages are just a short 30-minute drive from the Gold Coast and less than an hour's drive from Brisbane. Each split-level cottage has a stone gable, bull nose veranda, polished timber floors, a large double spa, a cosy fireplace and reverse cycle air-conditioning to ensure a pleasurable and relaxing stay. A feature of every cottage is a private garden and outdoor area and an indoor/outdoor spa bath and bathroom.

At the cottages, you can also keep out of the winter chill with the day spa that comes to you. Ripple combines the convenience of massage therapists that come to your cottage with the luxury of couples massages in front of a wood fire. A hot stone massage with warmed volcanic stones is popular in the winter.

Tamborine Mountain oozes quality and charm and has been described as an 'island in the sky'. The area boasts a golf course, many award winning wineries, an eclectic range of shops, restaurants and cafes, National Park Walks, the Rainforest Skywalk and much more. The mountain is also home to several National Parks and the Witches Falls Cottages are situated close to the entrance to Queensland's first and oldest National Park, the Witches Falls circuit.

For a cosy and romantic getaway this winter, contact David and Daniela at Witches Falls Cottages and ask about their exclusive accommodation packages with prices starting at \$245 per night.
