

Our new interactive Map Guides offer Trails & Activities for you to explore & enjoy - be inspired and let the adventure begin!

Our local area is home to many artistic, crafty and talented people who love nothing more than to share their knowledge and passion with others.

With this in mind, we have created the first in a series of interactive, online maps.

The 'Unlock the talent and have fun' map shows you where to find these potters, painters, artisans and more so you can visit, book a class and try your hand at something you've always wanted to do. To access this map, please [click here](#).

More maps are in the pipeline and include 'Walk to a Waterfall', 'The Harvest Trail', 'One Easy Walk' and the 'The Theme Park Trail'. You are able to view and to download all of our maps as a PDF from [our website](#).

Love is always in the air here on Tamborine Mountain - especially so in February!

Imagine waking to the sound of bird song, in the arms of your loved one, immersed in the tranquility of your private, self-contained Witches Falls cottage. A delicious breakfast hamper is delivered just outside your door as you sleepily stir your morning coffee. Picture your hide-away garden and how, when the sun sets you'll both slip into that deep, double spa and star gaze through its glass ceiling above.

If you'd love all of this, then there are only a couple of cottages left that are available for Valentine's Day on Sunday 14th February 2016 (we are already fully booked on Saturday 13th February 2016).

[Book now](#) – or [purchase a gift voucher](#) for your loved one and come to stay with us later this year. [Cleopatra's Secret Package](#), [Hot Air Ballooning](#) and the [Blokes' Package](#) are just some of the very romantic choices we have available this Valentine's Day and all year round too.
