[Scarecrow Festival Friday 17th – Sunday 19th October 2014!](#)

Come on up to Tamborine Mountain for this EX-STRAW-DINARY event!

You remember the Scarecrow we built last year?

The 7 Dwarfs sit in our carport and greet us every day when we come home with a wave and a big smile, and the stork of the mushroom acts as Daniela's garden shed at her beloved veggie patch :-)

This year we leave the Scarecrow building to the other folk of Tamborine Mountain and we (as [GoTambo](#)) are proud sponsors of the event.

The Mountain community and countless visitors are looking forward to this fun weekend and we hope to see you up on Tamborine Mountain too :-)

Best Regards and see you soon,

Daniela and David
