

Happy Easter - introduction offer for our Holiday House!

We hope you all stayed safe and dry during the recent weather events brought along by ex-Cyclone Debbie.

With the great amount of rain brought to Tamborine Mountain the Rainforest is sparkling, the Waterfalls are roaring and looking across the valley to the Great Dividing Range at sunset time, the dams filled with water are glistening and reflecting the colours of the sky.

If you haven't visited the Mountain for a while now is the perfect time so you can experience all the natural wonders first hand, mixed of course with visits to the wineries, shops and restaurants!

Holiday Houses – extended range of accommodation on offer

At Witches Falls Cottages we are proud to announce the addition of a selection of boutique [Holiday Houses](#) to our range of accommodation we offer.

Bring along your family and friends for your next stay on Tamborine Mountain and enjoy a family weekend or friend's reunion with great food and wine, in house massages, a personal and hands on wildlife visit or adrenaline pumping adventures like the high ropes course at your door steps.

Kate from the [Vintage Pickle Deli](#) in Main Street provides delicious breakfast options and a

cheese platter for our Guests staying at the [Bank House](#) and you find different catering options for the other houses too.

When staying at one of our Holiday Houses you of course still benefit from the local knowledge offered by our staff at Witches Falls Cottages and all the information and booking services we provide for our in-house guests.
