

Our new Honeymoon - Romantic Getaway Special

Whether you are planning your honeymoon or taking a second or third honeymoon with your loved one, Witches Falls Cottages can help make your romantic retreat even more memorable!

Our new 5-night Honeymoon Package is dedicated to celebrating your relationship and creating long life memories.

One of the great advantages of a Tamborine Mountain honeymoon is that our location offers a wide range of experiences for both the active and the laid-back couples. A mountain-top honeymoon is also unique because it can be enjoyed at any time of the year.

No matter the season, our cottages are designed with intimacy, relaxation and romance in mind. You can stargaze through the glass ceiling above our deep double spas, relish the serenity of your own courtyard garden, curl up in front of the fireplace (in season) and enjoy massage services right in the privacy of your cottage. A Witches Falls Cottages honeymoon will make you both feel relaxed and thoroughly spoiled. Add to this the glorious surroundings of Tamborine Mountain, with its quaint village atmosphere, many wineries, National Parks and waterfalls and you will have the ideal start to a lifetime of happiness.

To read all about our latest Honeymoon Package and to book with us online, please click [here](#).

Springtime on the Mountain Festival

[The Springtime on the Mountain Festival](#) will take place this coming weekend from Friday 23rd to Sunday 25th September 2016. This annual event showcases the best in garden design and gardening skills in south-east Queensland.

There will be eight charming private gardens to visit as part of the Open Gardens Trail as well as a variety of interesting activities. These include talks, workshops and master-classes, plant stalls, art and music. To know more about this event please visit the Tamborine Botanic

Gardens' website by clicking [here](#) – or you may contact the event's convenor on 0458 102 344.

This event is incredibly popular and we are fully booked this Friday and Saturday night, though we do have a couple of vacancies for the Sunday night. To avoid disappointment in 2017, call us to book for next year's event which is usually held the last week-end in September.

Introducing Kelly & Mark, our Managers

After running Witches Falls Cottages for more than nine years, David and Daniela have decided to take a break and have engaged Kelly and Mark as Managers.

Kelly and Mark are familiar with the daily running of our cottages, the names of all our chickens and know the secret recipe for the still-warm home baked bread that is delivered to our guests' cottages every morning. Kelly and Mark have much local knowledge and will no doubt make our couples feel welcome and spoiled during their stay at the cottages.

Meanwhile, David and Daniela will chill out in their newly acquired caravan nick-named Migaloo - the caravan's whiteness and sheer size demanded a name fit for an albino whale. David and Daniela did take delivery of the van the day Migaloo crossed from NSW to QLD - they will occasionally update Witches Falls Cottages' [Facebook](#) and [Instagram](#) accounts with images from their travels should you wish to follow their adventures.

We are looking forward to seeing you on beautiful Tamborine Mountain.

Daniela & David and the Team at Witches Falls Cottages
