## Recent bushfires - recovery and SPECIAL OFFERS!

To say that the Scenic Rim Region has had an emotional time recently would be a fair comment.

Tamborine Mountain itself was not directly affected by the fires and we had some welcome rain in the meantime. With our friends at Binna Burra we do however mourn the loss of the iconic lodge and together we tackle the impact the bush fires have had on the region.

The Rainforest will recover, in fact, sprout with fresh new and lush green foliage, and as nature begins to renew itself so are the local people and the tourism operators.

To celebrate our beautiful region and to give you a nice incentive to visit, we have partnered with the [Three Little Pigs Bar and Bistro](#) and the iconic [Tamborine Mountain Distillery](#) to put together two exclusive offers.

## Tours and itineraries on Tamborine Mountain

If you have stayed with us previously you would have tasted the wonderful aromas of the locally grown coffee which we provide in our cottages and our holiday houses.

You don't need to book, just make sure that you arrive before 12 at the café as the tours leave on time (just up the road from your Cottages).

If you would like to discover more of the Mountain and the surrounding region you may want to check out some of the tour opportunities available on the [Experience Tamborine Mountain](#) website or investigate some of the [Uniquely Tamborine Mountain](#) activities and interests.
