## Your Winter Getaway awaits!

MAY UPDATE

Dear <<My First Name>>,

We hope you are all well and are looking forward to making the most of the lifted restrictions.

With the 'Roadmap to Easing Queensland's restrictions' published, we are delighted to announce that we are able to **reopen on 12th June 2020!**

On Tamborine Mountain we are in the lucky situation that we have fresh clean air and lots of green spaces with walks in the Rainforest for you to enjoy. With winter upon us we get amazing sunsets, the views are spectacular and it is cool enough in the evening to light a fire!

Exactly what you are looking for after being cooped up at home!

At Witches Falls Cottages we have adapted our check-in, cleaning and sanitizing procedures to the current situation. You will find the full [details related to the Covid-19](#) adaption of our business on our website.

With our self-contained cottages we tick all the boxes for a perfect getaway:

- **Cottages for Couples** offer privacy and relaxation
- **Double Spa** in the bathroom with a glass roof and glass sliding doors to enjoy as much nature as you wish :-)
- **Wood Fireplace** for a cozy atmosphere during the cooler winter months
- A **Breakfast Hamper** filled with local produce and with our fresh homemade bread delivered to your Cottage each morning

To top it all off, we are located right next to Witches Falls National Park, in walking distance to three wineries and the North Tamborine Village where you will find shops, restaurants and the local Pub!

**Don't wait - book your Winter Getaway today!**

We look forward to seeing you soon,

Daniela & David and the team at Witches Falls Cottages
